## CHARACTERISTICS OF GEM

---

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

### 2. ISSUE MANDATE

On 28 May 2021, the general mandate to issue shares was not given to the Directors to allot, issue and deal with unissued Shares. In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue any new Shares, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and/or otherwise deal with additional Shares not exceeding 20% of the total number of issued Shares as at the date of passing of the resolution in relation to the Issue Mandate.

As at the Latest Practicable Date, 660,000,000 Shares have been fully issued and paid. Subject to the passing of the ordinary resolution numbered 5(A) set out in the AGM Notice and on the basis that the issued share capital of the Company remains unchanged after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to issue a maximum of 132,000,000 Shares.

In addition, subject to a separate approval of the ordinary resolution numbered 5(C) set out in the AGM Notice, the number of Shares purchased by the Company under the ordinary resolution numbered 5(B) set out in the AGM Notice will be added to extend the Issue Mandate as mentioned in the ordinary resolution numbered 5(A) set out in the AGM Notice provided that such additional value shall not exceed 10% of the total number of issued Shares as at the date of passing the resolution in relation to the Repurchase Mandate. The Directors wish to state that they have no immediate plan to issue any new Shares pursuant to the Issue Mandate.

### 3. REPURCHASE MANDATE

On 28 May 2021, the Shareholders passed the resolution that general mandate to repurchase shares was given to the Directors to repurchase Shares. Such mandate will expire at the conclusion of the Annual General Meeting. In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to repurchase Shares, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares on the Stock Exchange not exceeding 10% of the total number of issued Shares as at the date of passing of the resolution in relation to the Repurchase Mandate.

*This Appendix serves as an explanatory statement, as required by Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide all the information reasonably necessary to enable Shareholders to make an informed decision on whether to approve the Repurchase Mandate.*

### **GEM LISTING RULES**

The GEM Listing Rules permit companies with a primary listing on GEM to repurchase their Shares on the Stock Exchange subject to certain restrictions.

### **SHAREHOLDERS' APPROVAL**

All proposed repurchases of Shares by a company with a primary listing on GEM must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval of a particular transaction.

### **SHARE CAPITAL**

As at the Latest Practicable Date, the number of issued Shares was 660,000,000 Shares of nominal value of HK\$0.01 each which have been fully paid. Subject to the passing of the resolution in relation to the granting of the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 66,000,000 Shares which represent 10% of the total number of issued Shares as at the date of the Annual General Meeting during the period in which the Repurchase Mandate remains in force.

### **REASONS FOR REPURCHASE**

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to repurchase its Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or its earnings per Share.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole.

**FUNDING OF REPURCHASE**

Repurchase of the Shares must be funded out of funds legally available for such purpose in accordance with the GEM Listing Rules, the memorandum of association of the Company, the Articles of Association, the Companies Law and other applicable laws of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with profits of the Company or out of proceeds of a new issuance of Shares made for the purpose of the repurchase or out of the Company's share premium account or, if authorised by the Articles of Association and subject to the Companies Law, out of capital.

The Directors believe that if the Repurchase Mandate is exercised in full, it may have a material adverse impact on the working capital or gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company for the year ended 31 December 2021. The Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

**SHARE PRICES**

The highest and lowest prices at which the Shares were traded on GEM during each of the twelve months preceding the Latest Practicable Date were as follows:

**INTENTION TO SELL SHARES AND DIRECTORS' UNDERTAKING**

None of the Directors, to the best of their knowledge, having made all reasonable enquiries, their respective close associates, have any present intention if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

No core connected persons have notified the Company that he or she or it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum of association of the Company, the Articles of Association and the applicable laws of the Cayman Islands.

**TAKEOVERS CODE**

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Company, the following Shareholders were interested in more than 10% of the Shares then in issue. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the total interests of such Shareholders in the Shares would be increased to approximately the percentages set out in the last column as follows (assuming there is no other change in the issued share capital of the Company):

Name of Shareholder	Capacity	Number of Shares interested	Approximate % of issued share capital as at the Latest Practicable Date	Approximate % of issued share capital if Repurchase Mandate is exercised in full
Ms. Sui Xiaohe	Interest in a controlled corporation	296,980,000	44.997%	49.997%
Absolute Skill Holdings Limited	Beneficial owner	296,980,000	44.997%	49.997%

*Note:*

The 296,980,000 shares are held by Absolute Skill Holdings Limited (“**Absolute Skill**”). Ms. Sui Xiaohu wholly owns Absolute Skill and is also its director.

On the basis of the aforesaid increase of shareholding held by the Shareholders set out above, the Directors are not aware of any consequences of such repurchases of Shares that would result in any Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 and Rule 32 of the Takeovers Code if the Repurchase Mandate was exercised in full and assuming there is no change in the issued share capital of the Company as at the date of passing of the relevant resolution granting the Repurchase Mandate. The Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 and Rule 32 of the Takeovers Code.

The GEM Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued Shares would be in public hands. The Directors do not propose to repurchase Shares which would result in the aggregate number of the Shares held by the public falling below the prescribed minimum percentage required by the Stock Exchange.

**SHARE REPURCHASE MADE BY THE COMPANY**

No repurchases of Shares have been made by the Company during the six months preceding the Latest Practicable Date (whether on the Stock Exchange or otherwise).
